

Georgia Performance Standards Curriculum Map for Social Studies and Science Second Grade

This curriculum map reflects a schedule that alternates science and social studies instruction. The times are approximate and can be adjusted; however, the sequence of instruction should not be altered. The order in which the science and social studies units are taught within the 9 weeks has not been determined by the curriculum team. Teachers should adhere to the guide as closely as possible and notify the Department of Student Learning of any concerns or suggestions for improvement.
