## ELEMENTARY

### Thank You for Your Support!

Thank you to everyone who supported our Boosterthon Fun Run! It was extremely successful! With your help we were able to collect **\$49,000** in pledges. PTO gets to keep 52% of all funds collected. This is the best profit from any fundraiser we have ever had. We have just purchased enough document cameras for each classroom. Responder units have been ordered for each grade level. Your child will benefit greatly from these items. It will allow their teacher to present classroom material in an exciting and educational manner.

*We are happy to announce that our next Fun Run will be held November 4, 2010!*
