## October Issue 2009

I sure will be glad when cool weather finally sets in and these Georgia Misquotes go away. It almost never fails that when I get home from work and go out to play with the kids, the misquotes push us back in the house. You know, there is at least one thing we could learn from misquotes. No matter how many misquotes you shoe away there is another to take its place, and no matter how many volunteers you have, you could always use another. If you're not already doing so, give some consideration to volunteering at NCE. Helping with school events, participation in fundraiser, or reading to a class makes all the difference.

PTO would like to thank all members that showed up for our first meeting of the year. The information that we provided and the money that was approved by the members will go a long way to making this year a success. As a thank you for joining, PTO once again provided a home cooked BBQ meal for all its members and family. PTO would also like to thank Mr. Benny Dorn, George Brown, and Larry Simons for once again volunteering the time to cook for us. By the looks of the leftovers, everyone must have loved it.

## If You Buy It They Will Play

Did you see the movie Mary Poppin's, when Burt did the one man band scene. That's kind of like our music department. Oh, we had plenty of instruments, but just not enough of any one kind. You would have one of this, one of that, a couple of these, and the instruments we did have needed to have some major repairs. With this problem, PTO decided to put some time, effort, and money into Mrs. Dibling's class. As you can see by the pictures, we have started down a road that I hope we can keep improving. So far, we purchased 13 new instruments and hope to supply more in the years to come.

**October 30<sup>th</sup>** is our annual Fall Carnival. PTO has such a wonderful time participating in this event. Not only will the children enjoy the inflatables, games and silent auction, but PTO will provide delicious food items. You never know what we will try on our menu, but you can be assured the staples of hamburgers and hotdogs along with drinks will be available. We will be sending home volunteer sheets very soon, so don't miss out on the opportunity to help out your school.

## Congratulations

to Mrs. Lugo's class for winning the Box Top Trophy for September. They did a fantastic job and have set the standard for all other class to follow. Let's see if they can do it again.
